Year 6

'Uni Opens Up Your World'

Event Details

On-Campus Visit
3 Events
234 Students

Participant Feedback

- 89% of students agreed or strongly agreed that they learnt more about university courses
- 92% of students agreed or strongly agreed that they learnt more about careers that require university study

"Today was a great way to learn about uni. I hope to be the first one in my family to go to uni"

Year 7

'Recipe for Success'

Event Details

- In-School Workshops
- 4 Events
- 410 Students

Participant Feedback

- 91% of students agreed or strongly agreed that they learnt that there are different ways to get into uni
- 84% of students agreed or strongly agreed that they feel more confident that they could go to university if they wanted to

"I discovered I wanted to go to university and set a goal for my life"

Year 9

'Going to Uni'

Event Details

- On-Campus Visit
- 2 Events
- 210 Students

Participant Feedback

- 86% of students agreed or strongly agreed that they felt more confident they could go to university if they wanted to
- 81% of students agreed or strongly agreed that they learnt skills need to succeed at university and in their careers

"I learnt more about communicating, and what courses are available to suit my strengths and hobbies."

"All in all, Stellar is a great program for schools and hopefully the Uni as well. It takes the "scare factor" out of the equation and offers so much positivity for students who would otherwise choose an easier career path rather than going to University."

Year 10

Career Role Models Days

Event Details

- In-School Visits
- Delivered in Partnership with Clarence Valley Council, NSW TAFE
- 362 Students

Participant Feedback

- 93% of students agreed or strongly agreed that they learnt that there are many pathways to university
- 86% of students agreed or strongly agreed that they were thinking more about what they want to do when they finish school

"I learnt about different career options and ways to get into uni."

Year 10

Stellar @ Uni Days

Marine Science @ Uni Day

- Held at the National Marine Science Centre
- 29 Students
- 90% of students agreed or strongly agreed that they felt more confident about the prospect of going to university

Exercise Science @ Uni Day

- Held at the Lismore Campus
- 36 Students
- 80% of students agreed or strongly agreed that they felt more confident about the prospect of going to university

Nursing & Midwifery @ Uni Day

- Held at the Coffs Harbour Campus
- 26 Students
- 96% of students agreed or strongly agreed that they were more likely to talk to their friends and family about university following the event

"I learnt about other pathways to get into uni when you don't get an early pathway or a high enough ATAR"

"I learnt that there are many different opportunities heading into a career in Marine Biology"

Aboriginal & Torres Strait Islander Parent & Carer Visit

Thirteen parents, carers, Elders and Aboriginal workers attended the Lismore Campus. Feedback from the event was overwhelmingly positive with all visitors reporting that they learnt more about university pathways and support services available.

Parents & Carers Stellar On-Campus Visit

Nine parents & carers of primary and secondary schools students attended the Lismore Campus. Feedback from parents indicated that the most beneficial aspects of the day were learning about scholarships, entry pathways and the accessibility of the university.
